

**Joshua Jarrott**  
Jarrott\_Joshua@phd.ceu.edu

### **Education**

PhD in Philosophy, 2023 (expected)  
Central European University, Vienna, Austria  
GPA: 4.0

MA in Philosophy, 2018  
Colorado State University, Fort Collins, CO  
GPA: 4.0

BA in Philosophy, 2014  
University of Iowa, Iowa City, IA  
Major GPA: 3.96

### **Teaching Experience**

#### **Colorado State University, Fort Collins, CO**

*2015-2017(Spring)*

Taught two full sections of Philosophy 110, *Logic and Critical Thinking* as primary instructor over the course of one academic year from Fall 2016 to Spring 2017. Responsibilities: lesson planning, teaching, grading, office hours. Acted as teaching assistant for *Logic and Critical Thinking* from Fall 2015 to Spring 2016. Responsibilities: grading, office hours, study sessions.

### **Papers**

The Universe Works on a Math Equation that Never Even Ever Really Even Ends in the End: Charles Sanders Peirce's Evolutionary Metaphysics and the Law of Large Numbers. 2018. *Colorado State University*. Master's Thesis.

Currently Persisting Paradoxes: getting clear about endurantism. 2014. *Res Cogitans*, Vol. 5 Iss. 1

Models of Becoming. 2011. *Aporia*, Vol. 21, Iss. 2

### **Conferences**

*Pacific University Undergraduate Philosophy Conference, 2014*. Talk: Currently Persisting Paradoxes: getting clear about endurantism.

*Pacific University Undergraduate Philosophy Conference, 2013*. Paper accepted for conference. Conference unattended.

## **Research Experience**

### **Visual Cognition Laboratory Research Assistant**

University of Iowa Visual Cognition Laboratories, Hollingworth Lab, Iowa City, IA  
2012-2013

Assisted in the administration of psychological experiments involving visual working memory and spatial working memory. Set up experiments. Monitored subjects as they participated in experiments. Performed general office work such as the management and organization of subject information and experiment data in both digital and analog formats.

## **Awards**

*First Year PhD Award.* Central European University.

*Fred Johnson Graduate Scholarship* for logic and formal philosophy. Colorado State University.

*Honorable mention* for “Currently Persisting Paradoxes: getting clear about endurantism”. Pacific University Undergraduate Philosophy Conference (2014).

## **Graduate Work**

*Central European University:*

Existence and Non-Existence  
Laws of Nature  
The Leibniz-Arnauld Correspondence  
Metaphysics of Modality  
Critical Reflections on Kripkean Themes  
Advanced Topics in Logic  
Special Relativity Time and Cause  
Mind and Action  
Locke's Essay  
Current Issues in Philosophy of Mind  
Philosophy of Religion: The Existence and Nature of God  
Doctoral Work in Progress 2020/21 Fall  
Doctoral Work in Progress 2020/21 Winter  
Departmental Colloquium (weekly outside talk, 4 semesters)  
First Year Paper & Comprehensive Exams

*Colorado State University:*

Seminar: Charles Sanders Peirce  
Seminar: Non-monotonic logic  
Seminar: Metaethics  
Seminar: Ancient Han Chinese Philosophy  
Seminar: Buddhist Philosophy  
Seminar: Normative Ethics: Rights  
Independent Study: Laws of Nature  
Formal Tools in Philosophy: Set theory, modal logic, type theory, non-classical logics  
Graduate Thesis

*University of Iowa*

Seminar in Contemporary Metaphysics: Monism  
Seminar in Modern Philosophy: Descartes  
Topics in Mathematics: History of Mathematics from Euclid to Descartes<sup>1</sup>

### **Languages Taken**

Elementary Latin I  
Classical and New Testament Greek I  
Classical and New Testament Greek II  
Second-Year Greek I  
Second-Year Greek II

---

<sup>1</sup> Class was co-taught between the Classics and Mathematics department
